

10 Strategies To Add \$250K

Broadcasting From Colorado

Testimonial from a \$4416.00 sale:

“I was so excited about getting new carpet, I forgot to ask about payment. I will be over on Saturday if that is ok. Not only do you sell good carpet and give great service, you even filled my low tires. Can't beat that.

Thanks again.”

Home Insurance Bundles

Have a car and house? You need to insure both. Might as well save while you're at it.

HOME + CAR

Life insurance works differently and may not always be available from the same company.

HOME + LIFE

Run a business? You can capitalize on that if you bundle home and business insurance.

HOME + BUSINESS

Do you have a home, drive and own a business all at once? You can bundle everything to save more.

Option #1—Take two of the enclosed pain-killers every four hours while you schlep from store to store, website to website, wading through the thousands of options, trying to figure out what’s what, losing sleep worrying about ACCIDENTALLY choosing a product that won’t match your décor, or look different once it’s installed, or fall apart in a year (in spite of the promises made by the company).

OR...

Option #2—Call me!!

Dear Prospect Name,

Hi! A few days ago I sent you a letter offering you a “shameless bribe” to gain you as a new client. Since I still haven’t heard back from you, I figure you’re still in the decision-making process.
